Sigrid

2011 was the latest, coolest, and most prolonged vintage in Oregon's 45 year history of winemaking. The vintage and the wines are reminiscent of 2008, 2007, 1999 and 1993, although it is truly unlike any other vintage we have ever seen. The wines will prove to be some of Oregon's greatest and most ageworthy wines ever crafted.

2011 OVERVIEW This vintage was one that put all Oregon farmers and winemakers to the ultimate test. Although, if the work was done well in the field and the winery and the yields were low, the wines will prove that Oregon's Willamette Valley is truly the most authentic, unique and successful cool climate wine region in the new world, ideal for growing and producing world-class Chardonnay and Pinot Noir.

The 2011 Sigrid Chardonnay is our flagship Chardonnay, handcrafted from two of our five estate vineyards: de Lancellotti and Gregory Ranch, as well as from two of Oregon's greatest Chardonnay vineyard sites: Temperance Hill and Anderson Family Vineyard. In classic Sigrid fashion, the aromas burst from the glass revealing orange blossom, ginger, saffron, lemon pound cake, Asian spices, buttered corn and clove-studded citrus fruits. The mouthfeel is broad and unctuous for the vintage with a vibrancy and electric feel which showcases this year's amazing fresh fruit flavors of lemon, tangerine and lime. It is rich and layered with textures and yet intensely vibrant at the same time. The potential here is great for extended cellaring and enjoyment for 12+ years.
